# ADVISEMENT AND REGISTRATION PROCEDURES

Students **must** meet with an Academic Advisor before attempting to register **IF** they: are a new high school graduate; are new to TJC; are non-TSI complete or exempt; are on academic probation; have less than a 2.0 GPA; or, need to change their major.

## New Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:

- A completed admission application. (An application form is available from the Admissions office or at [www.tjc.edu/admissions/application.htm](http://www.tjc.edu/admissions/application.htm) or the Texas common application at [www.applytexas.org](http://www.applytexas.org).)
- Official high school transcript or GED score report.
- Test scores (i.e., THEA, ACT, SAT, TAKS) if not listed on the high school transcript.

2. Determine Texas Success Initiative (TSI) or testing status through Admissions office:

- If THEA taken, \*THEA exempt, or \*\*THEA waived, go to step 3.
- If THEA testing has not been completed, go to the Testing Center (second floor of Rogers Student Center) to take the Accuplacer. (This is an alternative test to THEA—allow three hours to test. There is a fee of \$25 to be paid in the Testing Center before testing. Photo ID required.) Or check with the Testing Center for scheduled Quick THEA dates.

3. After meeting testing requirements, visit with an Academic Advisor for assistance with course selection. (A list of advising offices and possible majors is at the bottom of this page. Drop in or call for an appointment.)

The Academic Advisor helps new students with:

- Interpretation of test scores
- Information on campus resources
- Selecting a major
- Degree Plan and transfer information
- Course selection and registration
- Information on the registration process
- Clearance for registration

4. Check the printed *Registration Guide* or view it online at [www.tjc.edu](http://www.tjc.edu) to choose course days and times.

5. If you are a new High School graduate, your Advisor will determine if you are eligible to register online. Notice deadline listed in the *Registration Guide*.

6. Pay tuition and fees by the deadline published in the *Registration Guide*. Secure parking permit and student ID card.

\*Determined when an application is received. Texas Success Initiative (TSI) status is based upon scores from one of the following tests: ACT, SAT, TAKS. Students who are exempt from testing may still be required to take a TJC placement test or Accuplacer for placement.

\*\*Includes students who are in a Certificate Program. See College Catalog for more information.

## Returning Student Advising Process

The following are general registration procedures for returning students:

1. If it has been two years since attending TJC, please complete a new application for admission before seeing your Advisor and turn in transcripts from any college attended after TJC.

2. If you are non-TSI complete, have a GPA below 2.0, or need to change your major, you must meet with an Academic Advisor for assistance in course selection. (A list of advising offices and possible majors is at the bottom of this page. Drop in or call for an appointment.) If you are TSI complete (in college-level classes), and have over 12 hours credit, you are not required to meet with an advisor to register unless unsure what courses to take.

3. Check the printed *Registration Guide* or view it online at [www.tjc.edu](http://www.tjc.edu) to choose course dates and times.

4. Register online, if eligible, before deadline listed in the *Registration Guide*.

5. Pay tuition and fees by the timeline published in the *Registration Guide*. Secure parking permit and student ID card.

Consider the following factors prior to registration:

A. Are you on scholastic probation?

- If so, you are required to see the academic advisor from your school (Allied Health and Nursing, Applied Studies, or University Studies) for assistance in course selection and information on study skills and tutorial resources. Be aware that, due to your GPA, you may be limited in the number of hours and type of courses for which you may enroll.

B. Do you plan to graduate this semester?

- If so, then follow the steps below:
  1. Plan to meet with an academic advisor for your major and/or in your school to confirm your graduation status.
  2. If necessary, request course waivers and/or substitutions for specific Degree Plan requirements.
  3. Apply for graduation with appropriate advisor for your major by the published deadline. (See the *College Catalog* for dates.)

## Transfer Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:

- A completed admission application. (An application form is available from the Admissions office or at [www.tjc.edu/admissions/application.htm](http://www.tjc.edu/admissions/application.htm) or the Texas common application at [www.applytexas.org](http://www.applytexas.org).)
- Official transcripts from all colleges previously attended.
- Test scores (i.e., THEA, ACT, SAT, TAKS) if not listed on a college transcript.

2. Determine Texas Success Initiative (TSI) status through the Admissions office: Remember, unless a student is \*THEA exempt or in a \*\*THEA waived certificate program, he/she must take the THEA or Accuplacer before registering at a Texas state public institution. A TJC placement test or Accuplacer may be required of some students regardless of their THEA status.

3. Contact the transcript evaluator in the Admissions office for an evaluation of transfer credits at 903-510-2123.

4. Meet with an Academic Advisor for assistance in course selection. Take a copy of your transcript with you. (A list of advising offices and majors is at the bottom of this page. Call for an appointment.)

The Academic Advisor helps the student with:

- Interpretation of test scores
- Information on campus resources
- Selecting a major
- Degree Plan and transfer information
- Graduation requirements
- Course selection
- Course waivers and substitutions
- Information on the registration process
- Clearance for registration

5. Check the printed *Registration Guide* or view it online at [www.tjc.edu](http://www.tjc.edu) to choose course dates and times.

6. Register online before the deadline listed in the *Registration Guide*.

7. Pay tuition and fees by the timeline published in the *Registration Guide*. Secure parking permit and student ID card.

\*Determined when an application is received. Texas Success Initiative (TSI) status is based upon scores from one of the following tests: ACT, SAT, TAKS. Students who are exempt from THEA may still be required to take a TJC placement test or Accuplacer for placement.

\*\*Includes students who are in a Certificate Program. See College Catalog for more information.

Prior to the first official class day (through 8/20/2010)	100%
During the first fifteen class days (8/23/2010-9/13/2010)	70%
During the sixteenth through twentieth class day (9/14/2010-9/20/2010)	25%
After the twentieth class day (after 9/20/2010)	0%

Late registration and registration fees are non-refundable.

Students who "swap" credit hours (exchange one three-hour course for another three-hour course) may do so without a monetary drop penalty prior to the twelfth class day. The even exchange applies **only** if the course add and drop are presented to the registrar at the same time. Additional lab fees may apply and must be paid on day of change.

First-time students who completely withdraw on or before the 60% point in time of the enrollment period must receive a statutory pro-rata refund. Monies from the refund must be returned to the agency or aid program.

### Weekend College

The above dates and policy will apply to the Weekend College program, regardless of the actual start dates of classes.

### Special Notes

It is the student's responsibility to drop courses. The dates used for determination of refunds are those entered by the Registrar's office when the drop slip is received and processed by them. **Refunds will be applied to outstanding debts owed to Tyler Junior College. Unpaid student accounts will be turned over to a collection agency, with collection costs paid by the student.**

Additional fees must be paid in the Cashier's office the same day as adding and changing courses to reserve your schedule. All courses in which a student is enrolled will be dropped for non-payment if 100% of tuition and fee charges are not paid by the deadline.

The refund policy is subject to change by the vote of the Tyler Junior College Board of Trustees or the legislature of the State of Texas.

\*Subject to change by the State Legislature, Coordinating Board or Board of Trustees of Tyler Junior College.

## MAXIMUM NUMBER OF COURSES DROPPED (SB 1231)

Beginning with the Fall 2007 semester, and applying to students who enroll in higher education for the first time during the Fall 2007 semester or any term thereafter, a Texas institution of higher education may not permit an undergraduate student to drop a total of more than six courses in an academic career unless specific, State-allowed exceptions deemed to have "good cause" apply. The law affects only those students whose first enrollment in college began with the Fall 2007 semester.

Inquiries concerning "good cause" exceptions to this law for students of Tyler Junior College may be made to the Director of Academic Advising.

## VETERAN STUDENT INFORMATION

## Additional Online Classes

Distance courses not in the schedule may be available to Tyler Junior College students through a statewide consortium, the Virtual College of Texas. More than two hundred individual courses are available through the Virtual College and may be viewed online at [www.vct.org](http://www.vct.org). Virtual College of Texas courses may originate from any of the more than fifty public college systems in the state but have the same tuition, admission procedures and requirements, and appear the same on your transcript as any other Tyler Junior College courses. For Virtual College classes, you will have access to the advisement, library and support services, and other activities of the TJC system. You may also complete your exams in the Tyler Junior College Testing Center or, through appropriate arrangements, at an approved high school or other off-campus site. Additional information on courses offered through the Virtual College may be obtained by e-mail at [ghow@tjc.edu](mailto:ghow@tjc.edu) or by calling 903-510-2529.

## Tax Benefits for Students

Independent students and parents of dependent students should be aware that a number of educational tax benefits may be available to them when filing their federal income tax returns. Because deductions available vary widely according to individual circumstances, you should consult your tax advisor to see if any benefits are available to you. Information and applicable tax forms are also available at your local IRS office. The following list provides the common types of possible benefits about which you may want to inquire: (1) The HOPE Scholarship Tax Credit and/or Lifetime Learning Credit (TJC mails a Form 1098-T to each applicable student's permanent address in January); (2) Exemption of Employer-Provided Assistance; (3) Exemption of Scholarships and Tuition Remission; and (4) Deduction of Student Loan Interest.
